WEST VALLEY HOSPITAL MINORITY SUBMITS REPORT IN REBUTTAL TO ARGUMENTS FAVORING PROPOSAL

Following publication of a report favoring construction of the West Valley Hospital over the signatures of a six-member committee, the makings of a sizzling controversy has developed from the objections of a five-member minority group headed by Jeanette B. Herts.

The minority group objected to the publication of the report as inaccurate and misleading and that the majority committee had dissolved without a vote.

The committee under discussion was formed, according to Harry Whiteman of the Hospital District Board of Trustees at a meeting held in Los Gatos February 14.

"Members of the Board," Whiteman said, "feeling that the center of opposition was centered in the Saratoga area, invited civic leaders and interested persons in that area to discuss the matter."

Admiral F. C. Crisp (USN, Ret.) later named chairman of the committee, said in reply to Mrs. Herts' criticism that the committee was dissolved without a vote, "That no report of any kind could be made if only opposition were shown to all and any facts and figures presented for a report."

"I then stated," Crisp said, "That those in the majority were going to make a report, and that the minority should also feel free to do so."

The minority report objected to what they termed inaccuracies, misleading and conflicting statements.

The 1949 vote, the minority stated, voted to establish a hospital district, not a hospital, as the Crisp report mentioned. Herts' committee said it had documentary proof that the committee favoring the hospital was formed at the behest of the Board of Trustees of the West Valley Hospital district instead of (it charges the Crisp report) an attempt to make the study group appear as a spontaneous effort by a number of public spirited Saratoga and Cupertino citizens.

The Herts' rebuttal also charges that two of the votes favoring the proposal were in doubt and might have been counted either way, in which case, it might have been a majority which objected, instead of favored the construction of the hospital.

"There is no shortage of beds in Santa Clara County," according to the minority group, who objected to the Crisp report's use of the West Valley Hospital District as the area from which to judge a shortage or not.

The minority committee said the population growth and future needs of the district mentioned in the Crisp report were not based on fact.

Herts' group also objected to the cost report in the Crisp document, stating that no detailed construction blueprints had ever been prepared for contractor's bids.

Since no one knows, according to the objectors, when the bond issue will be passed, it would be impossible to say when construction would be started or what the cost of building materials would be at that time.

The operating fund deficit out-

KIWANIS CLUB, CUHS OFFICIALS, PLAN SWIM MEET

Deadline for entries in the First Annual Campbell Kiwanis Club Junior Olympic Swimming meet to be held Saturday July 26, will be next Wednesday, July 23.

The meet, to be held in the Campbell Union High school pool, will be sponsored by Campbell Kiwanis Club in conjunction with the Campbell area recreation program. Meet officials will be made up of Kiwanis officials and high school recreation staff. The event will include competition for eight age groups.

20-yard dash will be held for entries six years of age and younger; 25 yard freestyle and 25-yard backstroke races for those in the eight and under, 10 and under, and 12 and under brackets; 50-yard freestyle and 50-yard backstroke for those in 14 and under, 16 and under and over 16 age groups.

There will be no diving events. Ribbons will be awarded to winners. Trials will be held Saturday morning starting at 10 a.m. and the finals will be run off at 2 p.m.

There will be a slight admission charge for the final events to spectators who will be provided with grandstand seats.

Application blanks are still available at the pool office. Further information may be obtained by calling pool director Bill Perry at the pool office, Campbell 3481.

$1,800 IN THREE LOCAL RAIDS

Apparently the same individuals, in a series of raids on local gas stations, netted approximately $1840 worth of money and merchandise in three breakins during the week.

Clock Oil Company's station on San Jose-Los Gatos Highway was robbed of $40 in cash, some checks and an $1800 cash register some time after midnight Sunday night.

Last Wednesday the new Associated Station in Cambrian Park, at the corner of Camden and Union Avenues was robbed. Total take included 115 pennies and a wrist watch left as payment for a gas bill. Same thing happened Sunday night, but no money was stolen.

Method of entry in each case was the same. Thieves broke the glass in the front doors of the establishments and reached in to open the doors from the inside.

Moreland School Interviews New Teachers For Year

Moreland grammar school board of trustees held a meeting Monday night to interview candidates for teaching positions.

Interviews are continuing to fill a total of 27 teachers. Seven new instructors are needed and four replacements are needed.

The board elected at the last meeting Mrs. Mary E. Thor as a first grade teacher; Mrs. Meita Sullivan, also first grade teacher; Mrs. Barbara Bunker Niles, for the third grade, and Mr. James Wesely Hall, a science major who will handle teaching duties in seventh grade science and health.

Mrs. Gussie Baker, principal, reported that the teaching requirements for the coming school year will include seven new teachers over last year's number. She also recalls that five years ago, the teaching staff was raised to five in number with the addition of Mrs. Vivian Snow, who has been handling the children's monthly newspaper, "The Moreland Monthly" since that time.

COUNCIL TALK DISCUSSES POLICE APPLICATIONS

Twelve applicants for patrolmen on Campbell's proposed city police force were interviewed last night in the Country Woman's Clubhouse by Campbell City council police commission.

Police commission, composed of Councilmen J. B. Arends, Jr., Joseph V. Gomes, and Mayor Richard W. Morton, were assisted by Barton Collins, chief of San Jose Detective Bureau, and William Bennet, undersheriff of Santa Clara county.

In the hands of City Council Monday night were written applications listing personal qualifications from the following:

Elmer Ray, 571 Pamlar avenue, formerly with Campbell Private Police Patrol; Louis Doolittle, 3225 Bluebird Drive, San Jose, former San Jose auxiliary policeman and Santa Clara County deputy sheriff; Ben Battiest, formerly with Sheriff's office, who lives at Rt. 5, Box 509-F, San Jose.

Antone Lipari, 171 Ranier Avenue, San Jose, formerly with San Jose Auxiliary Police Force, and former special deputy sheriff; Joe Cervantes, former deputy, presently with San Jose auxiliary police; Walter Phillips, 104 San Jose avenue, Los Gatos, presently with the Los Gatos police force; Robert Locke, 446 E. Casey Road, Campbell, formerly with the private police patrol; Forrest Reese, 40-A E. Rincon Ave., Campbell, present Campbell Chamber of Commerce secretary;

Jesse Miller, 455 University avenue, San Jose, formerly with San Jose Police department and Southern Pacific patrolman; Ray Seymour, from San Luis Obispo, presently on that city's police force; Glenn Butler, 3441 El Sobrante, Santa Clara, former patrolman for Ames Laboratory at Moffett Field and B. W. Autrey, from Richmond, formerly a member of the Richmond police force.

School Contract Let To Hathaway For $50,954

Contract for finishing existing classroom improvements and to build a cafeteria at Moorpark school has been let to E. A. Hathaway, with a low bid of $50,954.

Construction is expected to start on the 25th, pending approval of the Allocation Board in Sacramento. The board meets next Tuesday.

Eleven bids were submitted, ranging from Hathaway's low bid to a high of $54,300. In the eleven bids there was a $4,000 price differential.

Only one bid was received for a Campbell Union School District 92-passenger bus. Barshow and Baleria, Almaden dealer in Crown busses, submitted a Crown bus bid for $15,440.

HUNT CANNERY TENTATIVELY SLATES PLANT OPENING FOR NEXT FRIDAY

Elvan A. Hansell, superintendent of Hunt's Foods Plant on Central Avenue, said today that the plant is tentatively scheduled to start this season's canning operations on July 25, next Friday. Plant started operations last year on August 2, due to a delay in the pear crop.

Operations will start with two shifts, the first starting at 7 a.m. and the second starting at 7 p.m. The fruit salad packing department will probably start a little later, Hansell said.

At full production, the plant expects to employ its full complement of some 900 persons.

Hansell said they expect a good season of canning cherries, pears, peaches, fruit cocktail and fruits for salad. While they expect a good season this year, plant authorities do not think it will be quite as busy as last year due to the large number of government orders filled.

Hansell said the local plant, contrary to county reports of other canners hard pressed for supplies of liquid sugar and shortage of tin plate used in can manufacture, will suffer no hardships in that respect.

Hansell said that the Hunt plant has its own can making firm in Hayward and indications are that abundant supplies of can making products have been stocked and are ready for all requirements of the local plant.

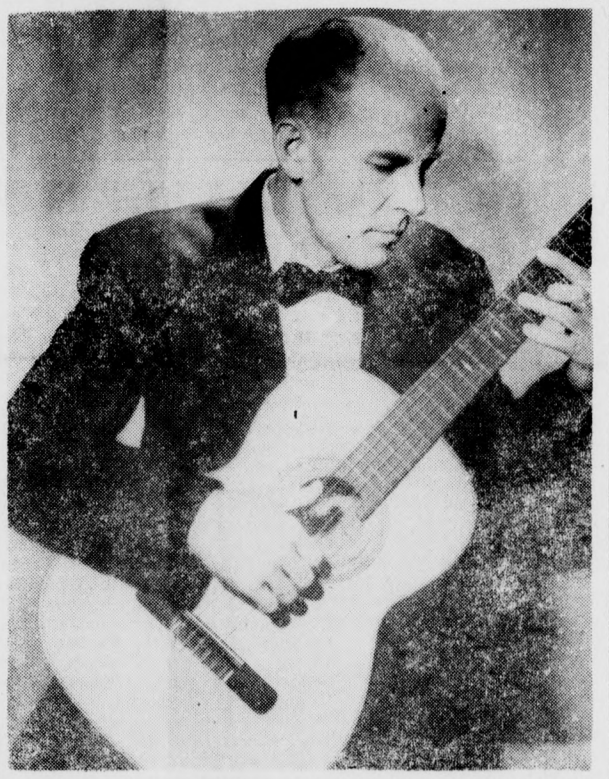
Reports of critical shortages of cans in the major valley canneries were revealed last week, following an appeal by California Farm Bureau Federation for quick settlement of the steel strike.

A spokesman for one large canner said there is enough tin plate on hand to care for the apricot pack now in full production, but there is grave doubt if enough material to cover the heavy fruit cocktail, pear, and peach pack with present supplies.

George H. Wilson, Farm Bureau president, said in his appeal to President Truman and both sides in the steel dispute, that the tin plate supply of California can manufacturers will be exhausted in from ten to thirty days.

Wilton Stein, president of the Santa Clara County Farm Bureau, said his organization is preparing to mobilize forces in this area to help bring pressure to bear on a speedy settlment of the strike.

WINNERS—of Campbell Elementary School recreation program pet show held recently at the playground are shown with the turtles, dogs, cats, rabbits, and hamsters that brought prizes to the following pet lovers: Carolyn Covell, Richard Namba, Carol Ostermaier, Judy Hughes, Tommy Wright(Linda Holt, Richard Columbini, Eleanor Leonardo, Leo Namba, Jerry and Judy Attix, Virginia Davis, Phyllis Plymale, Tommy Tragardh, Grant Dean, Lynn Brown, Jimmy Campbell, Lany Waters, Clifton Reynolds, Bernice Fournier, Judy Cobb, Jany Morton, Paul Nichol, Beverly Fish, Barbara Maier, Jack Johnson, Susan Heilig, John Hansell, Judy Garcia, David and Dwane Brown, Richard Gilbert, Carol DeVita, and Tim Brown.



CLASSIC GUITARIST—Fred Stockton of 79 North Tenth Street, San Jose, the only teacher of the instrument between Los Angeles and San Francisco, entertained local Rotary Club members at their regular Monday meeting with several selections.

CLASSIC GUITAR SELECTIONS HEARD BY ROTARIANS AT REGULAR MEETING

Local Rotary members at their Monday meeting at IOOF Hall were soothed by renditions of classical selections played on the guitar of Fred Stockton, the only teacher of the classic guitar between San Francisco and Los Angeles.

Stockton's program consisted of seven selections: "Romance de Amor by V. Gomez; Clavelitos, by J. Valverde; Habanera by O. Yanez; Serenade by R. Drigo; Farruca, by A. Castellon; Serenade by F. Schubert, and La Golondrina, by N. Serradell.

Stockton prefaced his musical program with remarks about his instrument and compared it to the heavy American instrument called a plactrum guitar, which is more familiar. The classic guitar is very light—a concert instrument which weighs only about two pounds and is strung with gut or nylon strings.

"The strings are plucked with the thumb and first three fingers of the right hand. The classic guitar has a tone so distinctive it can not be compared with any other instrument," Stockton said.

He may be right, and as one Rotarian said after the program, "There's no excuse for ulcers, when you can listen to music like that."

CITY GETS $250 ADVANCE ON GARBAGE PLAN

Other business handled by the Campbell City Council Monday evening included acceptance of a garbage contract from Los Gatos Scavenger Company as submitted. Council also received a check for $250 for first two months payment to the city.

A $15 filing fee was returned to Mrs. Ellie Hall when council learned that her application for a use permit to sell home-grown cut flowres complied with non-conforming use provision in Campbell zoning ordinance. Since use was the same as before ordinance went into effect, no application was necessary.

Pubic hearing on the application of Harry Weisend for a permit to burn old automobile bodies in the Los Gatos Creek bed at the end of Dillon Avenue was continued for one more week.

FORMER OFFICER RETURNS TO CAMPBELL AREA

An application for employment on the Campbell Police Department has been received from Elmer Ray, Pamlar Avenue, who has been living in Canada for the last year operating a restaurant.

Ray was formerly associated with the Mike Kunsman private police patrol and has informed him that he expects to return to this area in the near future and intends to re-enter police work of some kind.

COUNCIL TO ANNOUNCE RESULTS OF POLICE INTERVIEWS MONDAY NIGHT; COUNTY TO HANDLE HEALTH SERVICE

City police commission will announce the results of interviews held last night for applicants to Campbell's proposed police force at the next council meeting Monday night, it was announced by chairman of the committee, J. B. Aernds, Jr.

Tentative plans call for the establishment of a two-man patrol directly responsible to a police commission composed of Campbell City councilmen. Purchase of police equipment including a patrol car, and a record-keeping system are under discussion.

Commission is composed of Councilmen J. B. Arends Jr., Joseph V. Gomes, and Campbell Mayor Richard W. Morton.

Twelve written applications were discussed by the commission assisted by Barton Collins, chief of San Jose detective bureau, and William Bennett, undersheriff of Santa Clara county. (Applicants' names in other columns of the Press.)

Key discussions at the last council meeting Monday night centered on the firm of Shulte, Robinson and Stone's request for reduction in the number of fire hydrants required in their proposed subdivisoin on the southeast corner of Hamilton Avenue and San Jose-Los Gatos Road.

According to a council resolution, one fire hydrant must be provided for every 120,000 square feet of area in the subdivision.

Campbell Fire Chief Jack B. Scott said that as few as eight would be sufficient, instead of the 14 called for by the resoultion.

Decision to reduce the number was not given by the council, however, and the matter was held for one week for more study.

Another important matter discussed by the council concerned resolutions to be drawn up on the recommendation of City Attorney Joseph A. Bonacina to delegate city health services to the county, in matters of dog and food handling ordinances which go into effect in three weeks.

Council members directed the mayor to discuss with the Couny Humane Society the possibility of using its animal shelter for impounding dogs rather than establishing a pound in Campbell.

Council also passed a resolution appointing the County poundmaster to serve in the same capacity in Campbell, subject to his approval.

No decision was reached in the matter of dog licensing. Bonacina, who had conferred with County Health officials, said it would take about three months for license to be made for the city.

Food handling ordinance regulations will also be handled through the County Health Department, which will issue permits.

WILLOW GLEN 11 SLATED FOR NEXT ANNEXATION

Another section of Willow Glen —South Willow Glen 11, may become a part of San Jose if proponents of the annexation persuade registered voters to adopt the plan.

The area involved is bounded by Curtner Avenue on the north, the present city limits on the east, the lines of South Willow Glen No. 10 annexation in the vicinity of Husted Avenue on the south, and the line of Booksin Avenue on the west.

Proponents of the annexation published their notice of intention to circulate petitions for an election on the question last week.

About 30 persons live in the area, according to Alfred V. Mainero of the City Planning Department, who will be one of the petition coruclators.

If one-fourth of the district's registered electors sign them, a public hearing and election will be scheduled.

COT CUTTER DEMONSTRATION SET FOR TODAY

An Agricultural Extension Service demonstration of the Apricot Cutter developed by Coby Lorensen Jr., of the University of California Agricultural Engineering Department at Davis will be held at the Carlton Rouse dry yard today at 10 a.m.

The dry yard is approximately two-tenths of a mile south of Tennant Avenue on the East side of Monterey Highway south of San Jose.

This machine takes cots in bulk grades, then into sizes, orients, cuts, and pits them automatically. It was designed to be reasonable in cost so that a farmer can own one.

It cleans up windfalls, handles soft fruit well and gives the fruit a better cut for sulphuring, according to the University.

All those interested are invited to attend this demonstration.

UNION SCHOOL PLAYGROUND STAFF PRESENTS AMATEUR MUSICAL SHOW

The children enrolled in the Union Elementary School Recreation program participated in an amateur show at their school auditorium last Friday, July 11, at 3 p.m., as a conclusion to their "Music Week."

The program opened with two numbers by the rhythm band. The instruments used were made by the children themselves.

The band was led by Clyde Nunes, age 9. Some of the "musicians" were: Judy Brown, Dakie Bowden, Sheri Crawford, Mary Gale Eyth, Linda Lee Eyth, Patsy Griggs, Arthur Jones, Gary Kesner, Robert Kesner, Joe McLaughlin, Jerry McLaughlin, Marvin Mack, Merna Markussan, Richard Majares, Mary Elsie Nunes, Stephen Netherby, Michael Netherby, David Netherby, Billie Netherby, Kathy Trout.

A story entitled "Knick, Knack, Knock" was second to be presented on the program by Victor Kawasaki, age nine. Next was a skit entitled, "The Shoemaker and the Elves." The cast consisted of: Mamma, Patsy Griggs; Pappa, Gary Kesner; Customer, Robert Kesner; and playing the part of Elves were Ritchie Majares, Bobbie Descalzo, Jerry McLaughlin, and Marvin Mack.

After the skit, two songs were sung by Nancy Lutus, age eight. The were entitled, "The Wren," and "First Thing in the Morning," Joe McLaughlin, age 11, played "Long Long Ago" on his saxaphone.

Mary Nunes, age 6, did three Hawaiian dances. They were "The Cock-eyed Mayor, "Hoki Lau" and "Little Grass Shack."

Mary was followed by her brother Clyde, who played "Red River Valley" on his accordion.

Ann Lutus, 10, then read a story for the group while the final skit was being prepared. The skit was entitled, "What's The Matter, Maw?" and the main characters were Stephen Netherby as "Maw," Robert Kesner as the "Villain," and Clyde Nunes as the "Hero."

The show was followed by the giving of ribbon awards for a previous "Game Day" after which movies were held.

Butano Fund OK'd

City Attorney Dion Holm has given legal approval to a contribution of $100,000 sought from San Francisco toward purchase of Butano Forest in San Mateo County.

Holm ruled the fact that the people had failed by a narrow margin to approve a bond issue for the purpose in 1949 did not prevent the supervisors from voting the funds from other sources. **The $100,000 represents the share allocated to San Francisco for a fund to be rasied by five counties to buy the forest and save it from logging operations.**

DONNA LEE ZUMWALT IS BRIDE OF WILLIAM DAVID MILLER

Donna Lee Zumwalt, daughter of Mr. and Mrs. D. W. Zumwalt of Mulberry Drive, became the bride of William David Miller of Holmes in a candlelight ceremony in the Seventh Day Adventist Church of Campbell, July 3rd at 8:00 p.m. Wedding rites were conducted by Elder C. L. Lingenfelter.

French floral pieces in pastel colors decorated the rostrum and archway, and in large vases at each side of the rostrum were white daisies and gladioli both white and pastel-hued. Similar vases and tall candles flanked the stairway on either hand. Along the aisles were gladioli-decked candles in holders covered with silver foil. Before a rostrum, Donna Lee was given in marriage by her father, and with the bendict she repeated the memorable Bible avowals of Ruth and Naomi.

The bride was gowned in white slipper-satin, with pointed long sleeves, a round neckine and a deep V-shaped yoke of net with satin-covered buttons, a bertha of wide Chantilly lace, fitted bodice and cathedral train. Wide lace fell softly down both sides of the full skirt and bordered the train. Donna Lee's veil touched the floor and was held by a tiara of pearls. Her bouquet was of white carnations and stephanotis centered by a delicate pink orchid and edged in pink carnations.

Mrs. Glenn Harlan was her sister's matron of honor, attired in an orchid satin gown with orchid lace bertha and skirt ornament as in the bride's costume, but with a sleeveless, off-the-shoulder bodice. She carried Esther Reed daisies of yellow and wore a headband of the same flowers.

Bridal attendants Mrs. Glenda Miller, sister-in-law of the bride, Mrs. Nathalie Zumwalt of Modesto, also a sister-in-law, and Mrs. Lila Zintz, the bride's cousin, wore floor-length gowns of pale green satin and taffeta; their coronets and bouquets were of pink Esther Reed daisies.

Marilyn Moorehouse of San Jose was flower girl, in a long dress of white taffeta. Baby rosebuds circled her head, and she carried a white basket of rose petals. Three-year-old Billy Powers, nephew of the bridegroom, acted as Bible bearer. Best man was the bendict's brother, Jerry Miller, and his attendants were Norwin Dale Zumwalt, Gordon Greene and Charles Powers. Robert Zumwalt of Modesto and Rodney Silver of Campbell performed the duties of ushers.

Candles were lighted by the Misses Charlene Zintz and Kathleen Ann Zumwalt, who wore pink taffeta frocks and tiaras of pink silk roses.

An honored guest at the wedding was the bride's grandmother, Mrs. Harry Peterson of Windsor, California.

For her daughter's nuptial ceremony, Mrs. D. W. Zumwalt was costumed in a navy blue taffeta dress piped in pale pink; her hat and gloves were pink, and her shoes were navy blue. She pinned on a corsage of pink carnations.

The "Wedding March" from Lohengrin was played by Mrs. Dorothy Patton, organist. Gordon Greene, brother-in-law of the benedict, sang "Because;" Mrs. Rosa Lee Gravse of Alpa, California, the benedict's cousin, offered "I Love You Truly," and "The Lord's Prayer" was sung at the end of the service by Fred Garrett of San Jose.

A reception was held following the ceremony at the Country Woman's Club House, resplendent with floral arangements, and the bride cut a four-tiered cake adorned with miniature bride and groom for the approximately 150 assembled guests.

Mrs. Marjorie Greene, sister-in-law of the bendict, was mistress of ceremonies at a program presented at the reception. A duet was sung by Mrs. Dorothy Patton and Mrs. Rosa Lee Graves. A vocal solo was given by Gordon Greene, and a marimba selection performed by Miss Doris Hansen. Mrs. Viola Powers, Mrs. Marjorie Greene and Mr. Fred Jaques gave readings. The program was interrupted by the dramatic announcement of little Mary Lee Graves that a telegram had been received; the telegram disclosed that the newlyweds had departed on their honeymoon.

For her going away ensemble the new Mrs. Miller wore an orchid gabardine suit with white accessories.

On returning from their wedding sojourn in Santa Cruz, the young couple will reside at Bull Creek in the redwood forest, where Mr. Miller has his business.

The bride attended Campbell Grammar School, Mountain View Academy and Fortuna High school. Her husband is the son of Mr. William P. Miller, Holmes dairyman, who was unable to attend the wedding.

Miss Laura Gerrans of Campbell and brother Bert of Saratoga had charge of decorations. Miss Alice Gerrans of Saratoga circulated the guest book.

Gains Technique Of Tailors' Art

Mrs. Mary Starin instructed the members of the Home Makers Extension of Cambrian in the arts of zipper insertion and buttonhole binding at a meeting of the group on July 10 at the home of Mrs. Marvin Hudson on Chelsea Drive. The ladies had actual experience with zippers and bound buttonholes at the meeting.

After instruction a sandwich luncheon was enjoyed, with relishes and coffee served by the hostess. Present were Mesdames M. J. Estrabrook, Ann Hopf, Donald Hancock, George Ninnis, Rudolph Zahl and Zeno Hallett.

Tentatively scheduled for Tuesday, Wednesday, Thursday and July 29 of next week is instruction in the making of slip covers, upholstery and chair painting. The meetings, to be held at the Scout Hut, will be all-day sessions.

Anyone interested is invited to attend and is asked to bring sandwiches for lunch; coffee will be served by club hostesses. Further information may be obtained by phoning Mrs. Zeno Hallett, Campbell 2029.

Mr. and Mrs. William David Miller are shown after a candlelight wedding ceremony in the Seventh Day Adventist Church of Campbell July 3. The young couple are now at home at Bull Creek in the redwood forest, where Mr. Miller has his business.

BEVERLEE MARTELLA, LT. PASCO WED IN HIGH NOON CEREMONY

White gladioli and Esther Reed daisies, with tall white candles, decorated the altar of St. Patrick's Church in San Jose, when Beverlee Martella and Lt. John Stanley Pasco were wed at high noon. The double ring rites were conducted by the Reverend James Markey of Santa Clara University, assisted by John McCarthy of Watsonville.

Beverlee was given away by her father, Charles Martella. She wore a gown of nylon tulle over white satin, with a Chantilly lace peplum, long sleeves and a train. A lace cloche secured her fingertip nylon tulle veil, and she carried a white orchid bordered by stephanotis and lilies of the valley.

Maid of honor, Miss Virginia Wetzel, wore a ballerina length gown of gray organdy over gray taffeta with high neckline and short sleeves. Her headband was of lilac colored stock, and she carried lilac gladioli and stock.

Bridal attendants Mesdames William Wilson and Donald Weller wore identical dresses. Lt. Pasco's best man was Edward Rottici, and ushers were Robert Bachino and Leroy Martella.

Mrs. Charles Martella chose for her daughter's wedding a navy faille dress suit, gloves and hat of pink, and navy purse and shoes. She pinned on pink orchids.

Mrs. Pasco, mother of the benedict, selected a navy lace dress suit with navy accessories and pinned on a pink orchid corsage.

300 wedding guests attended the reception at Montalvo Villa in Saratoga, where white gladioli, Esther Reed daisies, regal lilies and magnolias adorned the hall and the bridal table. Beverlee cut a four-tiered wedding cake.

Later, the bride donned a gray wool suit with navy blue accessories for the honeymoon trip to Carmel Valley.

The new Mrs. Pasco is a member of the Campbell Union High school faculty and is an alumna of San Jose State College. Her husband, the son of Mr. and Mrs. Stephen Pasco of Chicago, was graduated from Santa Clara University last month as a pre-legal student. He received his commission on June 8 and will be stationed for a time in Lawton, Oklahoma, which will be the temporary home of the newly-wed couple.

ED CARMAN, of Carman's Nursery, is off with his family on a liesurely camping and fishing trip along the California coast in the dierction of Oregon. They are expected back at the end of the week.

Ada Rebekahs Install Leaders

New officers of Ada Rebekah Lodge No. 223 were installed July 1 in the IOOF Hall by Jeanne Ash, District Deputy President, and her staff. Beautiful installation drills were presented, and the hall was decorated in the colors of the new deputy president, white and lavendar, and with her flower, the violet. Exquisite bouquets and gifts were bestowed upon Mrs. Ash and her marshal, Mrs. Mary McClellan.

Refreshments of cookies and punch were served by co-chairmen, Mesdames Herman Rice and Ernest Farley and their committee, Mesdames Fred Fellman, Dan Perusina, A. C. Currie, John Morley, Zeno Hallett, B. J. Kilgallin and Katherine Cole.

Installed in office were Junior Past Noble Grand, Mrs. DuBois Rhine; Noble Grand Mrs. Robert Crawley; Vice Grand Miss Rosella Wyse; Recording Secretary Mrs. Lillian Ohlen; Financial Secretary Mrs. B. J. Kilgallin; Treasurer Mrs. Zadie Rice; Warden Mrs. Lila Handley; Conductor Mrs. John Zamira; chaplain, Mrs. Ira D. Wyse; Musician Mrs. Frank Livingston; Right Supporter to the Noble Grand, Mrs. Herman Rice; Left Supporter to the Noble Grand, Mrs. Ernest Farley; Right Supporter to the Vice Grand, Mrs. Jessie Silberbauer; Left Supporter to the Vice Grand Mrs. W. L. Bachman; Inside Guardian Mrs. W. A. Sisemore; Outside Guardian Mrs. Harley Poore;

Color Bearer, Mrs. Barbara Bladt; Right Altar Bearer, Mrs. Ruth Nelson; Left Altar Bearer, Mrs. Alice Olson; Publicity, Mrs. Ira D. Wyse; Drillmaster, Mr. Walter Silberbauer; Trustees, Mesdames Herman Rice, Fred Fellman and Bessie Merrill; Examining Committee, Mesdames DuBois Rhine and A. C. Currie; Hospitality Committee, Mesdames W. L. Bachman, P. B. Payne and Katherine Cole; Friendship Committee, Mesdames Harley Poore, Julius Bachman and Fred Jones; Visiting Committee, Mesdames W. L. Bachman, Herman Rice, Ernest Farley, Jessie Silberbauer, Robert Crawley, N. G., and Miss Rosella Wyse, V. G.

Cast copper has tensile strengh of 19,000 pounds per square inch of sectional area.

HAZEL HEWITT, DELMAR McCOY RECITE VOWS AT NUPTIAL MASS

Nuptial mass was celebrated at St. Lucy's Church in Campbell at 10:00 a.m. July 8th for the wedding of Hazel Marie Hewitt and Delmar Eugene McCoy. The Reverend Dennis Kennelly performed the double ring ceremony befor an altar radiantly white with gladioli and Marconi daisies.

The bride, daughter of Mr. and Mrs. Orville Hewitt of Carter Avenue, was given in marriage by her father. She wore an ivory slipper-satin gown of en train design, with fitted bodice, net yoke and long, slender sleeves; her fingertip veil was held by a heart-shaped coronet of ivory-tinted pearls. Hazel's bouquet was also heart-shaped, of gardenias and orange blossoms centered by a lavender orchid. These flowers, as well as all carried or pinned on by the bridal party, were handmade of wood fiber by Mrs. R. M. Bebeau and Mrs. Joseph Isasi; they are exquisite in appearance and will be kept as lasting mementos of the wedding.

Matron of honor to the bride was the benedict's sister, Mrs. R. M. Bebeau. She was attired in a gown of changeable pure silk, of gold and yellow, aqua and blue, with gold slippers and a heart-shaped headdress of net; she carried a heart-shaped bouquet of white and yellow carnations.

Little Gloria Rush, the bride's cousin, was flower girl, frocked in blue organdy with a headband of bachelor buttons of pink, blue and white. More of the bachelor buttons were carried in Gloria's white basket.

Mrs. Orville Hewitt chose a gown of old rose with white accessories for her daughter's wedding and pinned on a corsage of white gardenias with green net. Mrs. C. N. McCoy, mother of the bridegroom, selected a skipper blue suit and black accessories, pinning on white gardenias with red net and ribbons.

Delmar's best man was William Holland.

Miss Helen Kalas presented the nuptial music, singing "On This Day," Schubert's "Ave Maria," and Franck's "Panis Angelicus."

After the ceremony the bridal party breakfasted at Martin's, and a reception followed at the C. N. McCoy residence at 69 No. Second Street, from 2:00 to 4:00. The bride cut a three-tiered wedding cake for the many relatives and friends who attended to wish the young couple happiness.

The new Mr. and Mrs. Delmar McCoy have now returned from a honeymoon in Santa Barbara and are at home on Winchester Avenue. Hazel attended Campbell High School; and Delmar, who graduated from CUHS last month, is employed by his father, C. N. McCoy, in the retailing of British cars; he is also in training as a mechanic for the National Guard Air Corps Reserves.

Buzz And Stitch To Congratulate Charles Ellison

Mr. Charles Ellison will be honored at a birthday party at the home of his daughter, Mrs. R. H. Holmes, on Little Harriet Way, July 18, by the Buzz and Stitch Club. Mr. Ellison gave the club its name at its inception.

Plans for the party were made at a meeting held July 9 at the home of Mrs. George Rodroguez on Little Harriet Way. Luncheon was served by the hostess to some twelve members.

Club president, Mrs. R. H. Holmes, presided at the meeting. The minutes of the previous meeting were read by secretary Mrs. H. L. Smith. Mrs. Holmes appointed the Mesdames D. L. Powers and D. C. Reese as a games committee for the August 6 meeting.

Mrs. E. W. Buck took leave of absence from the club. Gifts from secret pas were presented to Mesdames R. C. Williams and George Rodriguez.

Crocheting completed the afternoon. Present were Mesdames Ed Anderson, Jeannette Churchill, Tom Davis, G. C. Grant, R. H. Holmes, D. R. Lloyd, D. L. Powers, H. L. Smith, Jack Waymire, R. C. Williams, George Rodriguez and C. A. Long.

EXTRA! CAMPBELL GIRLS WIN DISHPAN! A dishpan was the prize for the most attractively decorated table at 4-H Club's encampment at Camp Loma in the Santa Cruz Mountains July 7 to 11. At each meal the group presenting the smartest table decor had its name inscribed on the dishpan; at the close of the camp the group whose name appeared most often walked away with the dishpan. Campbell winners were the Misses MARCIA SLAUTER, JUDY FILKEL, JOYCE FILKEL, SUE KAUFMANN and MARCIA PARK. Swimming, hiking and other summertime sports were enjoyed by the girls, who did not come home with dishpan hands.

Mr. and Mrs. HARVEY HANSTON attended the Fourth of July wedding of EDITH BELLE KISER of San Jose and WALTER O. TIGERT, formerly of Commerce, Texas. The nuptial rites were performed in the Stone Church of Willow Glen.

Representing the San Jose Soroptomist Club at the International Conference in Copenhagen, Denmark, August 10-16, will be Mrs. GEORGE PAYNE of Campbell and Mrs. H. G. STELLING of Copenhagen. The delegates are already in Europe and will present gifts from the San Jose Soroptimist Club to English clubs, Ashton-Under Lyne and Manchester, while in England. United Nations is supported by Soroptimists through active participation in the U. N. program to guarantee fundamental human rights for all the peoples in the world.

Mrs. H. R. STRICKLAND, Giles Way, has been confined to O'Connor Hospital. She entered last Thursday for an indefinite stay for a complete physical checkup.

Mrs. ROBERT McBAIN, daughter of FRAND ACCARDI, of Accardi's Home Appliances, gave birth to her second child, a boy, MICHAEL DOYLE, Saturday morning at 3:54 a.m. in San Jose Hospital. Mother and seven-pound, 12-ounce baby returned home on Tuesday morning and are reportedly doing fine.

Mr. and Mrs. BEN AUSTIN of North First street have had Canadian visitors during the past three weeks — their nieces, Mrs. MARJORIE HAINERS and Mrs. HELEN LINN, and Mrs. Linn's daughters, DALE and CAROL, all of Simcoe, Ontario. The party enjoyed trips to Santa Cruz, Monterey, San Francisco and to various points of interest in the Santa Clara Valley.

Mrs. H. A. OLSON of Winchester Road, with her son, WILLIAM DOWNING and younger children, KAREN, KURT and CHRIS OLSON, motored to Shreveport, Louisiana, late last month to visit Mrs. Olson's daughter, Mrs. R. D. MYLES and her husband and son TOMMY. Lt. R. D. MYLES is stationed at Barksdale Air Force Base near Shreveport.

All had a good visit, and Karen remained in Shreveport, to spend the rest of the summer with her sister, while the other visitors returned to Campbell on July 9.

The travelers spent only three days on the road each way and considered the trip a very easy one.

William Downing recently returned from Alaska and is at present stationed at Fort Ord.

Boy Scouts of Troop 30 are at Camp Hi Sierra this week enjoying a rugged outdoor life under the supervision of Scoutmaster HARRY B. HUNTER. The fellows left San Tomas at 6:30 Sunday morning, equipped with plenty of gear and packs as weighty as the rules allow. They are on their fifty-mile hike at the moment, accompanied by a pack horse, which carries the extra grub. On the trail and around the campfire special memories are being made.

NANCY ERLEWINE, of Cedar Falls, Iowa, is visiting her aunt and uncle, Mr. and Mrs. WAYNE LANTZ of Kenneth Avenue. Nancy arrived last Sunday evening. Her train had been delayed by an accident which she witnessed in Wyoming, where two freight trains collided, derailing 90 cars, but injuring no one.

Nancy plans to stay in Campbell for a year and to attend San Jose State College, where she will major in music. Vocal music is Nancy's forte. She was graduated last month from Iowa State Teachers' College high school.

American Legion Auxiliary members enjoyed a picnic at Alum Rock Park July 10. Hostess was Mrs. L. C. FAIRCHILD, Auxiliary president. Attending were Mesdames ANNIE HEDEGARD, REX KABER, HERBERT MYRING, CARL OLSEN, GLEN KNOWLES WILLIAM BURCH, RUTH BARRETT and L. C. FAIRCHILD.

An emergency meeting of the group was held at Mrs. Fairchild's home on North Second street July 11.

Mrs. BOONE FOWLER of Wichita, Kansas, is visiting her sister, Mrs. GUS STANDISH of Walnut Drive. Mr Fowler will arrive for a visit in the near future, and the Standishes (GUS, INIE, BOB, BILL, JIMMY and DICK) are hoping that he will establish his business in Campbell.

LOUIS BORDI, former student of Campbell schools, will bestow his name on JOAN ELIZABETH HASKELL in Federated Church of Saratoga on September 14. The announcement was made at a family reunion held at the Los Gatos home of Mr. and Mrs. EARL R. HASKELL, parents of the bride-elect. The benedict-to-be is the son of Mr. and Mrs. ANTONE BORDI of La Honda.

Mr. and Mrs. MELVIN McDONALD of Salinas and sons JIMMY and BOBBY are spending their summer vacation with Mrs. McDonald's parents, Mr. and Mrs. M. E. MUMMA of Virginia Avenue. The McDonalds inspected the Fleischacker Zoo in San Francisco last week, and on Monday, this week, journeyed to Petaluma to visit with Food Machinery Engineer HAROLD MUMMA, Mrs. McDonald's brother.

Mrs. JESSIE A. SHELLEY of San Jose-Los Gatos Road and her sister, Mrs. A. F. ELSEA of Moberly, Mo., visiting Mrs. Shelley, were guests of the Mission Weavers Guild at a meeting held recently in the home of Miss ANN BONNIFIELD of San Jose.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Make no mistake about it. The millions of dollars, almost $100 million, extracted from everybody's income to keep thousands of officials of the Office of Price Stabilization, known as OPS, or Office Plenty Screwy, are not wasted.

* * *

C. W. Harder

The Office Plenty Screwy, may, and has, let prices advance on most things going on the family dinner table, but there OPS draws the line. If you pay more than ceiling prices for the use of a pool table, the OPS is ready to crack down hard.

* * *

That's what the man says. The man is Lambert S. O'Malley, acting enforcement director for OPS. He said it in the 1460th OPS press communique.

* * *

Mr. O'Malley is one tough hombre, indeed, because he states 230 actions have been filed by OPS against service trades businesses; the filing of 625 more is contemplated.

* * *

The press release says nothing about violations of any bureaucratic price ceilings. These businesses are just accused of failure to keep and file records and reports, needed by the army of OPS officials to appear they are doing something for fat government checks.

* * *

In issuing this edict, the Office Plenty Screwy places on a high plane the nation's pool and billiard rooms, and bowling alleys. They number among the service trades in the press release of which Mr. O'Malley says "It is required in this important area of our economy that all service trade establishments be brought into compliance immediately."

In the listing of service trade establishments, Mr. O'Malley goes even further. Not only are pool halls and bowling alleys listed as big factors in the cost of living, but also every establishment that has "a juke box."

* * *

And apparently to make OPS edicts retroactive to cover the pages of time, livery stables are also included.

* * *

It is possible that Mr. O'Malley and his associates may have many idle hours and thus a large part of their incomes may go to pool halls and bowling alleys.

* * *

But to hard working small businessmen and their employees, it is doubtful that such establishments materially increase the overall family cost of living.

* * *

They can also figure out which would be of more benefit to them. To hold the price of a game of pool down, or to save the millions of tax dollars spent keeping legions of the Office Plenty Screwy marching down every highway and byway.

* * *

It is interesting to note that on the same day OPS released the earth-shaking pool table edict, that MSA, successor to the Marshall Plan, announced another $19 million given away. $20 million were given away two days previously.

* * *

U. S. coal, to the extent of $2,400,000 was shipped to France who has great coal fields, $15 million worth of crude oil was shipped from Saudi Arabia to Italy, paid by U. S. taxes.

* * *

And copper, which officials say is in short supply in the U. S. is shipped on that day to the Netherlands. A full half million dollars worth, taken from the U. S. supply. Perhaps the OPS is not the only Office Plenty Screwy in Washington.

© National Federation of Independent Business

Term Reports Read At Last Netops Meet

Members of Netops Council No. 247, Degree of Pocahontas, met Friday evening at 8 p.m. in the IOOF Hall, Campbell, under the direction of Mrs. Mary Gray, Pocahontas.

Final term reports were read and approved. Election of delegates to the 50th Great Sun Session to be held in Long Beach on August 17 to 21 were held. Members elected were: Mrs. Blanche Gilpatrick, Mrs. Harold Pawsey, and Mrs. Mary Gray. Alternates are Mrs. Edith Anderson, Ruth Livingston and Irene Hodges.

Miss Joan Walker was elected second trustee and raised to her respective station by Deputy Great Pocahontas Mrs. Inez Means.

Members of the escort team will meet Friday evening at 7:30 p.m. at the home of Blanche Gilpatrick then proceed to the home of Margaret Drew, 14550 Gunston Avenue, Los Gatos, for drill practice for the forthcoming pubic raising of chiefs which will be held in the IOOF Hall in Campbell, July 25 at 8 p.m.

Mrs. Marion Pankoski and her committee will have charge of the social evening. Members of the Past Pocahontas club met last Monday evening at the home of Ruth Livingston.

Local Family Home From Vacation Trip

Mr. and Mrs. Ray Wood, Campbell's assistant postmaster, and daughter Lorraine, finally got together while on vacation at Centralia, Washington, at the home of Mr. Woods' mother, where the family celebrated the grandmother's 80th birthday.

If it sounds confusing, it is, slightly. It happened this way: Miss Lorraine Wood, president of Phi Mu Chapter of Mu Phi Epsilon, the professional music chapter at San Jose State College, was appointed a delegate to the national music convention at Minneapolis, Minnesota. Mr. and Mrs. Wood left at the same time on a motoring vacation trip over Donner Pass, to Reno, Salt Lake, Yellowstone and Coer d'Alene, and ended their trip at Centralia for the birthday celebration of Ray Woods' mother. After the celebration, the family returned home with one more stop, a visit to son Hardy's family in Stockton.

NEW MEMBERS WELCOMED AT BPWC MEETING

President Thelma Solari presided over the regular business meeting of Campbell Business and Professional Women's Club held last week at the home of Marian Hill on Milton Avenue. At the close of the business meeting new members, Anamae Pereira and Metta Ehlert were welcomed into the club. Irene Hodges, Emblem chairman, and Ellen Lanphear, Membership chairman, arranged an effective ceremony to honor the new members and to explain the club emblem. They were assisted by Dorothy Jenner, Edith Anderson, Eva Ballot and Lucille Barnes. Key rings bearing the club emblem were presented by the club president, Thelma Solari.

Mrs. Alma Fanning reminded members to make immediate reservations for the club barbecue July 23.

Justwed Fields In Campbell Home

At home to friends are Mr. and Mrs. Frank Fields, newly settled at 152 Bland Avenue. The former Barbara Ann Seacord became Mrs. Fields last month in a civil ceremony in Virginia City, Nevada, conducted by Judge Mrs. E. Pollard, justice of the peace.

Barbara wore a wedding suit of navy blue with pink accessories and an orchid corsage.

Mrs. Fields was graduated from Campbell Union High School and attended San Jose State College. She is now employed in San Jose at Hart's Department Store. Her husband, son of Mrs. L. V. Austin of Campbell, attended San Luis Obispo schools and served with the Navy in World War II. He is locally employed.

Mr. and Mrs. Edward M. Seacord, parents of the bride, will honor the newly-wed couple at a reception in the Seacord home at 1340 Meridian Road, next Sunday, July 20.

FIRST CAMPBELL PAPER

In 1895, J. Baine Sr., began publishing the first weekly paper in Campbell. It was next edited by his son, Frank. E. C. Hurlbert next took it over, followed by H. Smith, who purchased it in 1912, condensing the title to "Campbell Press."

Millions out of a can.... for California!

Right now, as you read this, thousands of people around the globe are opening cans of California products.

A simple act in itself, opening a can. Hardly worthy of notice, you may say. But every time one of these cans is opened, it adds to the stream of money flowing into our State.

The value of the fruits, vegetables, sea food and other food products canned in California is more than $700,000,000 a year. This money benefits you and everyone who lives in the State, because products that are sent out of the State in cans, in passing from producer to canner to merchant, leave all of us with more money to spend.

For more than 50 years, American Can Company—through the development of new containers and new techniques for canning—has been helping the canning industry widen markets for what California produces.

The constantly increasing income resulting from this co-operation between local and nationwide industry is a typical example of the benefits that forward-looking businesses can continue to create for California in a free, competitive economy.

BURGLARS RANSACK QUITO STORES; THIEVES BREAK GLASS FOR ENTRY

Six stores in the Quito Shopping Center were robbed last week in a manner resembling that of robberies which took place in the Campbell area at about the same time.

Burglars, apparently using some kind of baseball bat or club, broke the front door glass of the stores and stole a variety of merchandise.

Paul Basham, co-owner of the Quito Pharmacy, reports that a quick survey of his store indicated that about three boxes of cigars and twenty wallets had been taken. He also said that the Quito Vairety store was robbed of its cash register, as was the Clock Oil Company on San Jose-Los Gatos Road in Campbell. About 56 pocket knives and four wrist watches, a quantity of wine and 15 to 20 cartons of cigarettes were taken from the Quito Food Market.

The cleaners and yardage shop were broken into but nothing was taken. The hardware store in the center was also ransacked, and knives, razor blades and ammunition were stolen.

Owners speculate that the burglars were youthful, because of the nature of the merchandise taken.

Residents of the area reported hearing a "hot-rod" roaring by the streets of the subdivision about 2 a.m. and speculation puts the robbery at that hour.

Dear Editor:

. . . the letters start. Then many readers of THE CHRISTIAN SCIENCE MONITOR tell the Editor how much they enjoy this daily world-wide newspaper, with such comments as:

Two Collisions Week's Total For Campbell

Most automobile accidents this time of year, according to highway patrol, involve out of state vacationers. This seems to be the case in the Campbell area, for up to press time yesterday, Highway Patrol reported only two automobile accidents in the Campbell area or involving Campbell people.

Robert G. Olson, 23, 400 Foxworthy avenue, and Walter W. Worcester, 61, 1172 Singletary Street, San Jose, were the drviers of two cars which collided on the San Jose-Los Gatos Highway near Fruitvale avenue last Sunday. Cars were damaged and drivers were shaken up, but no serious injuries resulted from the collision, it was reported.

No injuries were sustained when a car driven by Zelma L. Wesley, 810 West Parr Avenue, collided with one driven by Thelma R. Andrews, 758 W. Wekiva Avenue, Monday afternoon at 2:50 p.m.

MOORPARK PETS WIN PRIZES IN ANIMAL SHOW

First division in the pet show sponsored by Moorpark Recreation Group held last Friday was won by Eugene Keuhnis's pet, "Pal." Kuehnis won a blue ribbon for the best-trained dog in the show.

"Boots," owned by Bobby Kashka, received the second place ribbon.

"Healthiest dog in the show," was taken by Gary Triena's dog, "Backie." Second place award went to "Boots" owned by Billy Kashka. Tery Ring's "Lady" received third place honors.

Mrs. E. C. Andes, Mrs. Frances Kehrli and Mrs. Lois Kuehnis officiated as judges.

Teen-Age Dance, Other Activities Set For Burbank

Tomorrow, Friday, July 18, at 2 p.m., a "Wheels' Day Parade" will be held at the Luther Burbank playground. Bicycles, tricycles, wagons, doll carriages, wheelbarrows—anything on wheels will be judged for the best decorations. The parade will be climaxed with a tricycle and doll carriage race. Movies will be shown afterwards.

Teen-age dances will be held regularly on Wednesday evenings at the Luther Burbank Youth center. Social dancing lessons will be given from 7:30 p.m. to 8:30 p.m. and the dance will begin at 8:30 p.m. Dress for the occasion will be slacks for the boys and skirts for the girls.

Other activities scheduled for the coming week are:

Storytelling, daily, 1:15 p.m. Crafts, Monday, Thursday, 2:00 p.m. Active games, Daily, 10:30 a.m. Folk dance Monday, Thursday, 3:30 p.m. Teen Dance, dance lessons, Wednesday, 7:30 p.m. and 8:30 p.m. Wheel's Day Parade, Friday, 2:00 p.m.

NEW CRAFTS TO START AT SAN TOMAS

Jersey loop pot holders will be a new craft activity along with the making of wishing well planters for the coming week at San Tomas playground, in the Campbell area recreation program.

This week will be nature week. There will be nature hikes for collcting specimens of insects, rocks, wood leaves, and seeds. Woodwork craft periods will be devoted to making suitable containers for the collections.

A roller skating party will highlight the week's activities with the parents being invited at that time to view the collections of the children. Papier mache masks and hot pads will also be craft activities for this week.

Winners in the San Tomas Bicycle Rodeo held last Thursday at the playground were as follows:

Parade, 2:00 p.m. Best decorated bike—Dennis Crawford. Most original decoration, Leonard Howell. Neatest bike—Bobby Jones. Best Rider, Marvin Dunn.

Races, 2:30 p.m. 50 yd. race—Marvin Dunn. Open field course—Robert Herman. Obstacle course—Robert Herman. 2-Rider Relay—Hubert Bumpus and Leonard Howell.

Games, 3:00 p.m.

Polo soccer was won by a four-man team consisting of Jacky Cunningham, Leroy Hall, Leonard Howell, and Marvin Dunn. The score was 6 to 1. Tag was won by Rudy Mesa.

Tricks—3:30 p.m. Tommy Cunningham rode off with the honors in the trick division.

Demonstrations and suggestions on safety were awarded to Jack Cunningham.

Craft activities for the week included: plaster mold work, bracelet making, paper work, grame making, woodwork and paper weaving.

Winning Claims Posted For Big '49er Gold Rush

Special event of last week's Campbell recreation center playground activities was the '49er Gold Rush. Those who staked lucky claims were: Don Sharpe, Ron Carpenter, Carol Ostermeier, Richard Williams, Don Kirby, Judy Lew, Marilyn Hughes, and Joan Russell. Mrs. Robert Lew awarded the prizes.

The week's special event is a talent show. It will be held Friday, at 2 p.m.

Several hundred children enjoyed another week of crafts, athletics and rhythms. The children made plastic bracelets, plaster figurines, and yarn novelties as the children engaged in folk dancing, story records and free expression.

The athletics were softball, basketball, and group games. The newly-turfed softball field can be used several mornings during the week. All junior high school boys interested in forming a softball team should report to Mr. Harold McGill at the elementary school. Softball is played each morning at 10:30.

The chatter and patter club for the 7th, 8th and 9th graders enjoyed an evening of swimming and dancing at Mrs. Leonard Merrit's pool and patio.

Campbell Washette Joins Merchants' Stamp Association

Latest addition to the Campbell Merchant Stamps association is the Campbell Washette, operated by Mr. and Mrs. Leo Preston, who have been operating for the past two months.

"So many customers have asked for the stamps," Mrs. Preston staid, because they do have such a valuable redemption, that we decided we might as well get on the baendwagon."

At a meeting of the Campbell merchants last Wednesday evening in the Chamber of Commerce building, attended by the participating members of the Stamp Association, the merchants agreed that the stamp program was an outstanding success and that customers have been asking for their stamps more and more.

Harold Estensen, Campbell Furniture and Appliance, spokesman for the merchants, said that participating members felt that with the adoption of the stamp program a step forward had been made in establishing Campbell as one of the more progressive shopping areas in Santa Clara county.

The stamp program, inaugurated last March, is a plan whereby shoppers receive trading stamps for every purchase at the rate of ten per dollar.

Books are redeemed for three dollars in merchandise at any of the 32 participating merchants.

Stamps are in the shape of a tree, symbolizing one of Campbell's best-known landmarks, the giant sequoia tree planted by Teddy Roosevelt at Winchester and Campbell avenues.

Cigarette Butts, Kids With Matches Cause Grass Fires

Four grass fires, three probably caused by lighted cigarettes tossed by passing motorists, and one by a group of children playing with matches, in the creek bed, according to the County Fire Department, kept the Cambrian and Central Fire Stations hopping during the week.

Children playing with matches, Central Fire District reports, caused a brush fire in the creek bed at the end of Norman Avenue, north of Blackford Lane, last Saturday morning.

Sunday, at Elam Road off Crockett and San Tomas Road, Cambrian and San Tomas engines were called.

Another grass fire occured on Saturday at Whiteoaks near Camden Avenue.

Monday afternoon, Chief Luhring of Central Fire District handled the fourth grass fire at Foxworthy and Jenkins Avenue.

SKATING PARTY KEY EVENT AT BURBANK SCHOOL

Cimaxing last week's activities at the Luther Burbank Eelementary school was a skating party at the Rollerland Skating Rink. 23 persons participated, and though there were many tumbles, everyone agreed that it was a lot of fun. The bus returned to the playground full of singing children. Participating were: Bobby Nance, Danny Nance, Rae Anna Dorcich, Marilyn Dorcich, Jerry Mohler, Richard Gadbury, Torchy Steele, Dennis Williamson, Steve Hardy, Teddy Sellete, Arlene Lancaster, Nona Monell, Wayne Brelsford, Douglas Gloyd, Alfred Lopez, Linda Martin, Joyce MacDonald, Joy Freitas, Charles Bailey, Marty Martinez, and George Martinez.

MONGREL KILLS 410 CHICKENS

Mrs. Norman Pronger, Jr., told Sheriff's office Monday that she had counted 410 dead pullets in blood-spattered chicken pens behind her home.

She said she saw a mongrel dog which had broken into the pens at her Saratoga home Sunday night between 7 p.m. and 8:45 p.m.

She chased the chicken killer, but ost it in the brush near her home.

She described the dog as of medium size (25 to 30 pounds(tan, and short-haired. The Prongers are seeking owner of the dog to recover damages.

Morris Vossler Now Home After Four Operations

Morris Vossler, son of Rev. and Mrs. O. B. Vossler, 130 Railway Avenue, has returned home from San Jose Hospital after undergoing four operations.

Vossler was taken to the hospital June 28 for an appendix operation. Doctors said the appendix had been ruptured for two days and was the possible result of lifting and other heavy work on his automobile.

Vossler survived two more trips to the operating orom and two ward incisions when a post operative infection developed.

Vossler has been working in the circulation department of the Campbell Press.

L. DALE COFFMAN, dean of UCLA law school—"Liberty was not bought and paid for in one installment in 1776. It must be purchased anew by each generation—and by sacrifices."

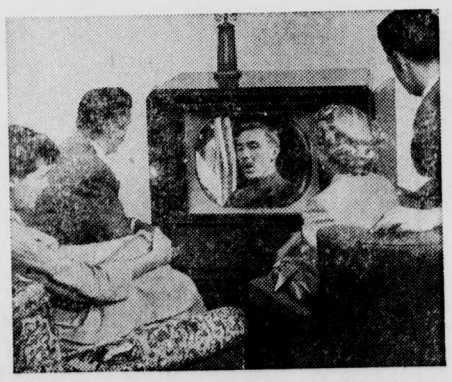
New radio relay to Seattle extends coast-to-coast telecasts to all the West in time for the conventions.

"Live" TV now spans the West

New radio relay brings convention telecasts to all West Coast viewers

On July 7th, the Bell System's radio relay system and coaxial cables enabled the TV networks to bring the Republican Convention to the nation's television viewers—who will also see the Democratic Convention on July 21st. It is now possible for all West Coast TV stations—from San Diego to Seattle—to carry these important national events as they happen. To accomplish this, Pacific Telephone engineers made special changes in the coaxial cable between Sacramento and Portland. They also rushed the installation of a new radio relay link from Portland to Seattle so both could be used together for the transmission of television network programs over this 745 mile route.



With the completion of Pacific Telephone's newest radio relay facilities, 99% of the nation's television viewers can be reached by network programs—making it possible for any event of national significance to be flashed visually across the nation in a fraction of a second. Telephone calls too, are carried by radio relay. Later this year, for example, the Pacific Northwest radio relay link will carry 132 simultaneous "through" calls—but that's only a fraction of its ultimate capacity. Important for convenience and entertainment, the radio relay system is even more important today when the telephone is hard at its biggest job—keeping America strong.

Pacific Telephone

Your telephone is one of today's best bargains

The nationwide radio relay system is only one example of how we are constantly improving telephone service while holding the cost of service down—keeping it so low, in fact, that a telephone call remains one of today's best buys in any budget—your home's or your nation's.

Local VFW Post Plans To Sponsor Hospital Parties

Plans were laid for the annual picnic of Campbell VFW Post 6305, and women's auxiliary to be held Sunday, August 3, at the last regular meeting. Mrs. Adaline Gaglaiasso presided.

Place of the picnic is to be announced at a later date according to Mrs. Gagliasso.

Mrs. Charles Chubb was appointed chairman, to be assisted by Mrs. Russel Sargent, and Mr. Bill McCurdy. Contests for both children and adults for which prizes will be awarded have been planned for the annual event.

The Campbell Post and Auxiliary have adopted Ward 31 of Agnew State Hospital to provide entertainment for the hospitalized veterans.

First ward party was held July 9.

Ward parties will be sponsored on second Wednesdays of the month. The local group is the first organization officially to take over a ward at Agnews. At the present time, according to the chairman, there are over 700 veterans at Agnew. Hospital officials are anxious that other groups adopt wards to provide recreation for hospitalized veterans.

Mr. Charles Chubb and Ralph Jones are chairmen for the hospital parties.

Rutherford Rites For Auto Victim

David Joel Walters, 4½ years of age, was run down by an auto on Wednesday night, July 2, while attempting to cross Pollard Road in front of his home at corner of York. He died some time later at the County Hospital.

David was the son of Mr. and Mrs. Joel Walters of Campbell, brother of Judith, Thomas and William Walters; grandson of Mr. and Mrs. Eddie Walters of East St. Louis, Ill., and Mrs. Ethel Simmons of San Diego. The child was born in Chicago Heights, Ill., and had lived in Campbell for years.

Funeral services were conducted at the Rutherford Funeral Home on Saturday, July 5. The Reverend Edward Townsend and Reverend James Warren officiated. Interment was in Santa Clara City Cemetery.

Craft Work Gives Way To Contest

Morning craft activities were suspended at noon at Cambrian recreation area last Friday to make way for 60 entries in the doll contest for the girls, and the hand-made wood models for the boys. First, second and third place ribbons were awarded to the winners in the various classifications.

Assisting with the judging was Mr. R. J. Montrezza.

In the boy's wood-model contest, first place ribbon went to Fred Helmbold, who entered a B-29 model airplane, second place was taken by Raymond Elsey with his model car; third place went to Melvin Wickliffe for a ship model.

Winners in the Doll contest were:

Cutest Baby Doll: Sharon Fossum, first; Lenore Kerl, second; Cecil Holt, third.

Funniest Doll: Lenore Kerl, first; Donnella Whitehead, second.

Oldest Doll: Judy Sheeder, with a 30-year-old doll.

Biggest Doll: Marilyn Gibbs, first; Michael Patrick, second; Caroline Lindstrom, third.

Smallest doll: Dolores Cano.

Bridal Dolls: Judy Sheeder, first Linda Vroom, second; Susie Lane, third.

Foreign dolls: Donna Montrezza, first, Italian doll; Sharon Fossum, second, Scandinavian doll.

Story book dolls: Loretta Hunt, first place; Rene Le Beau, second pace; Carolyn Hunt and Marilyn Hunt, third.

Lady dolls: Linda Avery, first; Cathy Triplett, second; Lenore Kerl, third.

Home-made dolls: Sharon Fossum, first; Dolores Cano, second.

Later in the afternoon, movies were shown. The afternoon program ended with punch and cookies served to the children.

Campbell Girl Now Attending U. Of Hawaii

Jeanette Marie Gomes, daughter of Mr. and Mrs. Joseph V. Gomes, Route 1, Campbell, is among the many mainland coeds from university campuses who are attending the summer session at the Univsrity of Hawaii.

The University of Hawaii is a fully accredited institution of higher learnng, and credits earned by summer students are transferable to their regular mainland Alma Maters, according to nationally accepted practices. The main University campus, which is located in the Manoa Valley, is scarcely more than a "textbook's throw" from some of the island's finest beaches. While enrolled, mainlanders have little difficulty combining study and sunning with time left over to participate in typical Hawaiian festivities.

Miss Gomes, a senior at San Jose State College, is enrolled in classes in music and sociology.

LOCAL MAN HURT IN AUTO CRASH

Clyde L. McKim, 39, of 137 Nelson Way, Los Gatos, who has a business clientele in Campbell, suffered minor injuries Saturday when his car apparently went out of control according to highway patrol reports, and crashed into a walnut tree on Almaden Road, north of the Curtner avenue intersection.

He was taken to Community Service Hospital for treatment.

DESIGNER, Aleen, will present a free lecture in San Jose at 1848 West San Carlos street tonight on basic flower arrangements, using the simplest materials. Her 30-day lecture tour will cover 15 towns, take her into six states and Vancouver, B.C. Lecture is presented through arrangement with Phillips Fibre Flower Studio.

Thief Leaves Cover When Pot Stolen

Mrs. Ralph Schaefle, Campbell and Carlyn Avenues, says that whoever took her $3.98, 8-cup aluminum Wearever coffee pot from behind her back last Friday can have the cover, if he is in that much need of the article.

It seems Mrs. Schaefle took the pot out to dump the grounds, and to water the plants in her garden. She set the pot down while doing this. She then greeted her neighbor and talkd about neighborhood subjects and turned around to pick up her coffee pot to go back into the house. The coffee pot was gone.

She said she saw a young man (between 20 and 30 years of age) drive off in a lightweight truck with construction equipment on it, but that no one else passed her while she was talking. She said she was not aware of anyone in her immediate vicinity at the time.

Mrs. Schaefle says she is a native Californian and time was when houses could be left open so that anyone in need of food or anything else could help himself, but that borrowers obligated themselves to pay back at some future date what he took for his immediate needs.

"Times certainly have changed," she said, "Nowadays you don't know who is living in the house you've bought and paid for."

CALIFORNIA SPEAKS

Statements By Interesting Californians

OSCAR SPONHEIM, San Mateo contractor—"A lame duck is a politician who is in the process of becoming a cooked goose."

DR. JOEL H. HILDEBRAND, Univ. of Calif. faculty—"The U.S. and Western Europe are like card partners who argue openly about what hands they hold—while the enemy holds his cards close to his vest."

LES RICHTER, L.A. Rams grid star—"I'm keeping down to my 230-pound weight by eating only three meals a day now."

ART SHOW HELD AT MORELAND

Finger painting, water colors, crayons, and combinations were different media presented in the children's art show at Moreland School last Friday. Pictures were classified into two groups: design and studies, and awards were based on age drawings.

Elwood Mitchell, director of recreation and John Kelly, a photographer, appeared to assign the awards and took pictures of the entries and the children.

Mitchell spoke of the quality of the pictures and the difficulty of judging the winners. Pictures of the winners and their prize winning entries were taken and also a picture of the entire group present that afternoon. Movies and short story telling ended the event ful day.

The first train to run from Fort Bragg to Willits and return made the trip on December 19, 1911.

FIBRE FLOWER LECTURE SET FOR TONIGHT

Aleen, one of the nation's leading floral designers whose basic flower arrangements have entertained televiewers for the past several years, will deliver a free lecture in San Jose, through arrangement with Phillips Fibre Flower Studio, 1848 W. San Carlos, on Thursday evening, July 17, from 7:00 to 9:00.

Several years ago, she launched Aleene's Fibre & Floral Supply Co., a modest "one-woman" business in Rosemead. The company has expanded to meet the demand from flower dealers and hobbyists throughout the land.

This will be her first personal appearance in San Jose. Her talk will cover "Basic Flower Arrangements." Utilizing the simplest materials, Aleene will endeavor to instruct her audience in arrangements that will bring added beauty color and harmony into the lives of her listeners. In addition, she will present many new ideas for special occasions such as showers, weddings, announciements, including a preview into fall, Thanksgiving and Christmas arrangements.

L. E. GRATTAN GRADUATES FROM SERVICE SCHOOL

Naval Aviation Cadet Lowell E. Grattan, 23, son of Mrs. Eva Grattan of 545 Briarwood, Campbell, graduated recently from the U.S. Naval School, Pre-Flight, Pensacola, Florida.

In addition to a thorough pyhsical training program, the fifteen week pre-flight course which Grattan completed includes aeronautical and naval subjects aimed at preparing officer candidates for flight training and eventual commissioning as naval officers.

Naval Cadet Grattan graduated from Campbell High school in June, 1946. He attended San Jose State college prior to being selected for pre-flight training in February, 1952.

He is now assigned to the U.S. Naval Auxiliary Air Station, Whiting Field, Milton, Florida, where he is engaged in primary flight training. Upon completion of his training at Pensacola and Corpus Christi, Texas, he will be awarded the gold wings of a naval aviator and assigned to duty with the fleet.

Rob't. C. Kirkwood To Speak at School

Robert C. Kirkwood, 29th District Assemblyman, will speak at theCampbell Union High school on Wednesday evening, July 23, at 8:00 o'clock. The meeting will be held in the high school music room, which is located behind the tennis courts.

Kirkwood's talk, a report on the Republican convention, which he attended, will be sponsored by the Campbell Chapter of the Republican Assembly.

CHOSEN AS DELEGATE

Mrs. Adaline Gagliasso, of Lt. Byron C. Lanphear Post 6305, VFW Auxiliary of Campbell, has been elected delegate to the National VFW encampment to be held in Los Angeles August 3-8. Miss Ethelyn Gagliasso has been chosen as alternate.

Save $$$ and serve better meals!

with a big, convenient home freezer

Save on produce. Now, when fruits and vegetables are most plentiful—and cheap—store them in your big home freezer. You save money when you serve them later in the year still fresh and flavorful!

Save on meat through quantity buying at your butcher's—then storing meats in your freezer. With this new economy, you'll be able to serve steak and other choice cuts once too high for your budget!

Cut down on waste by freezing left-overs, soups, pastries for future meals. A freezer is such a time-saver—speeds meal-planning, cuts shopping. And—the bigger your freezer, the bigger your savings!

See the new home freezers at your appliance dealer's today!

ONE CENT — *It costs only pennies a week to operate a new home freezer... because P. G. and E. rates are far below the U. S. average!*

Methodist Church Vacation School Schedules Finale

"On Keeping Alive to Christ" is the title of the sermon to be delivered by the Reverend Herbert W. Neale at the Methodist Church next Sunday morning.

The Methodist Vacation Church school will hold its closing session on Friday evening at 7:30. Parents of pupils are cordially invited to attend, as are all who may be interested in the achievements of the school.

A dramatic presentation of the life of Martin Luther will be given by children of the Junior Department. The dramatization was written and directed by the children themselves under the supervision of their teachers. A radio quiz program will also be presented by the Junior Department, and maps and other handiwork of the classes will be on display. The Junior Department has made three "worship centers" of white spatterwork on large cloths of red, green and blue, with suitable mottoes and motifs designed and executed by the children. Two of these will be presented to other departments of the church.

The closing session will begin with a sharing period during which the children will exhibit their work to parents and other guests; from 8:00 to 8:45 the program will be given, and refreshments will be served after the program.

The first "East-West" football game, between Stanford and the University of Chicago, was played on Christmas Day, 1894, in San Francisco.

American Business Behind The Scenes

By Reynolds Knight

Although not pessimistic, executives of 228 companies are not as cheerful about the 1952 business outlook as they were six months ago, a survey by the National Industrial Conference Board indicates.

The high rate of production, along with its indications of intensified competition; the easing of materals shortages; the trend toward greater labor unrest, and the defense stretchout seemed to have caused business leaders to revise their estimates. Only 40 percent of them expected higher sales this year; 50 percent thought so at the beginning of the year. Two-thirds expect lower profits and more than half expect a reduction in unfilled orders.

The outlook is still good, however. The best indicator of this is that only one company in every twenty is cutting back on its capital expansion program.

OPERATION COVERSION — The arrival of natural gas in thousands of communities this year poses a problem to hundreds of thousands of homeowners: how can they take advantage of this low-cost natural fuel when their homes are heated by coal or oil systems?

One solution is suggested by housing contractors, who report that thousands of homes are being expanded to take care of the space needs of growing families. In the process, heating systems are being modernized with the simple installation of compact gas conversion burners in existing furnaces or boliers.

Substantiating the contractors' report is a statistical survey made by the Gas Appliance Manufacturers Association which shows that shipments of gas conversion burners this year have soared over last year. In one recent month, shipments jumped 58 percent over the corresponding month of last year, 38 percent in another month and 29 percent in still another. GAMA's survey also discloses that 68,600 conversion burners were shipped during the first five months of the year as compared with the prewar average for a similar period of only 6,750.

THINGS TO COME—A new deodorizer that doesn't contain chlorophyll has hit the market as last. It is a combination ultra-violet ray odor eliminator and decorative indirect light ... Duffers' delight: a lightweight practice golf ball looks just like the real thing, but is one-third as heavy. Biggest advantage — it accentuates hooks and slices, helping the golfer get a more perfect stroke ... If you are a commercial photographer and bothered by rust and corrosion in the darkroom, try a recently announced quick-drying liquid stainless steel to protect surfaces ... Water will get rid of water in basements, trenches or practically any other place. An inexpensive brass gadget is connected to two lengths of hose and dipped in the water. One end of hose goes to the tap and the other to the drain. Turn on the water and you'll find your unwanted pool disappearing at the rate of 300 gallons an hour.

COLOR CONSCIOUS—Conservatism is the byword of clay tile for floors and walls. The Tile Council of America reports that gray and pastels are leading all other colors selected by home owners for kitchens and bathrooms.

E. C. Carlyle, chairman of the council, attributes the predominance of the more "livable" shades to the fact that the home-construction dollar is being spent cautiously. Because some fixtures and surfacing are expected to last at least the lifetime of the house, purchasers are careful to pick colors which will not become tiresome.

Deep and brilliant colors still have their advocates, but the Tile Council's files show that in the East the favorites are yellow, gray and cream; in the South, pale green and blue; in the Southwest, blue and peach; and in the West, yellow and cream. Rose is the favorite of many in Tennessee; maroon is finding ready buyers in Alabama; ivory and peach rate high in sunny Texas, and pink in Colorado.

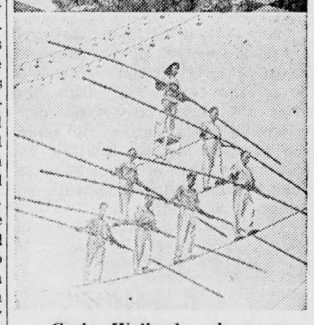
STOCK OWNERSHIP LAGS — Stock brokers and other interested parties got a rude shock from the first comprehensive study of stock ownership in this country. Those who have loudly proclaimed the breadth of John Q. Public's stake in capitalism thru stock ownership were surprised to find recently that only 4.2 per cent of the population, or 6,490,000, actually own stock.

This is a somewhat smaller number than some financial observers had estimated. One bright note was that there has been a decided rise in the number of stockholders in recent years. About one fifth of the total became share owners in the past three years and six percent acquired their stock in 1951.

Neverthless, the survey emphasizes the need for greater participation in capitalism by the American people. More and more effort must be expended in telling the story and advantages of private investment. If the people are to support private enterprise, they must have a piece of it.

An interesting sidelight to the survey was the refutation of the old adage about women owning the coutnry. Men owning stock were in the majority by a slight 30,000, according to the survey. Moreover, the men owned more stock, averaging 160 shares apiece compared with 115 for the ladies.

BITS O' BUSINESS—While U. S. newsprint output this year tops the same 1951 period by seven per cent and is 11 percent over the 1941 prewar rate, consumption has risen so rapidly we now import over 80 percent of our needs compared with 70 percent in 1941 ... The Bureau of Labor Statistics concludes that by 1975 the average man can look forward to nine years of retirement before dying compared with six years today and three in 1900 ... Chain and mail order sales were $3.1 billion in May, up two percent over April and nine percent over May, 1951. Not that children drink, but the 83,718,067 barrels of beer consumed in America last year evens out to 17.1 gallons for every man, woman and child. In 1950 consumption was 82,801,693 barels and in 1947 (the record) 87,076,141 barrels went down the hatch.



Carla Wallenda, shown on top with the famous cornet-playing clown, Chester "Bobo" Barnett, is the youthful star of the Great Wallendas, whose seven-person pyramid on the high wire (below is one of the sensational new features of the ninth annual Santa Clara Valley Shrine Cluub Polack Bros. Circus, appearing the week of July 24-30 at the Civis Auditorium in San Jose.

The Farmers Corner

by Ralph H. Taylor
Executive Secretary
Agricultural Council of California

Sea water and peach juice do not appear to have much in common. Events of past weeks in California ports have shown, however, that those who man our ocean-going ships can really put the squeeze on California peach producers. The immediate problem is obtaining sugar to use in canning California's $30,000,000 peach crop.

Some weeks ago, the Sailors Union of the Pacific, an A.F. ofL affiliate, called out its members because of a dispute over one of the steamship lines' hiring a steward was was not approved by the S.U.P. The basis for the "walk-off' was a jurisdictional dispute between this A.F. of L. union and the rival Harry Bridges union. For a time, it was feared that violence such as hasn't been seen for years would break out on the waterfront when one of the salors was beaten and shot in what apparently was just a friendly barroom brawl. The strike now appears, however, to be settling down to a dull, dogged trial of endurance between these two unions.

SILENT HARBORS

Meanwhile, food shipments to our overseas territories like Hawaii and Alaska are drastically curtailed, ocean-going vacationers are all trying to grow wings, imports are at a standstill. In San Francisco Bay, for instance, there were four shiploads of raw sugar which the Union would not allow to be unloaded. The C & H Sugar Refinery at Crockett which supplies about one-half the seasonal requirements for liquid sugar to go into the peach pack was closed down for lack of raw materials. It was estimated that the inventory of sugar on hand at the refineries and the canneries wouldn't cover even a minor portion of the requirements. Circumstances like these drive home to the farmer what a tremendous interdependence there is between various segments of our economy.

SUGAR IS SWEET

The California Canning Peach Association and the Associated Farmers stepped into this situation. The acute need for the strike-bound sugar was explained to the S.U.P. It is to the great credit of Harry Lundeberg, Sailors Union of the Pacific chief, and his strike committee, that one of the shiploads of raw sugar was released to the refinery. Lundeberg said the release was voted because of "the serious economic effect on the small farmers, also the possible loss of work to thousands of workers" should canneries have to close because they had no sugar. The strike committee said it would consider releasing other sugar carriers in the future "depending on the needs of the industry."

The immediate crisis has been averted. The peach crop apparently will be canned. The cannery workers, most of whom incidentally, are strong union members, themselves, will not lose weeks of productive time. The peach grower will not lose a whole year's income. The consumer will not be forced to look for substitutes for canned peaches. But keep in mind, this is due solely to the Sailors' Union taking the broad view of all the interests affected by its strike. Under different leadership the union might not be so conscious of the overriding public interest. This has led a number of people to wonder whether it is not time to effectively prohibit the juridictional strike, an interunion battle which generally affects innocent third parties more than the contestants themselves.

SHRINE CIRCUS COMES TO TOWN JULY 24-30 IN S. J.

Many from this community are expected to join the festive throng attending the ninth annual Santa Clara Valley Shrine Club-Polack Bros. Circus at the San Jose Civic Auditorium the week starting on Thursday, July 24, and ending on Wednesday, July 30.

Afternoon and night performances will be given all seven days, starting at 2:15 and 8:15.

Manifold aerial acrobatic troupes, with a wide variety of animal features, give this year's circus a "better than ever" promise.

Exciting events aloft are intrepid high-wire pyramids by the Great Wallendas, unparalleled mid-air precision by the Nine Ward-Bell Flyers, barefoot aerail adagio adventures by Les Geraldos and graceful maneuvers in unison by the Aerialovelies.

Animal innovations range from the horseback-riding jockey dogs of Karlis Petersons to Abert Spiller's oceanic combinations of penguins and seals, and include Jack Joyce's performing camels, the fast-moving Packs elephants presented by the MacDonalds, Joe Lemke's comedy chimpanzees, and Alma Michaels with Harold Gautiers' cute little poodels in a surprise novelty called "Excess Baggage."

Other headliners are the Theron Family in a lively revue of cycling versatility, the Four Whirlwinds in a cyclone of action on roller skates, Francis Brunn setting new records for speed in juggling, Hermanos Ibarra in whirling gymnastics on horizontal bars, the Myron Duo of foot-balancing experts, and the Karrel Troupe in feats and formation on Roman ladders.

Comedy divertissments are supplied by a corps of clowns, headed by Chester "Bobo" Barnett, the happy hobo, with his tiny car, corny cornet and capering canines.

Mrs. Bert Legg Retires From Grammar School

Mrs. Bert Legg, secretary to William C. Henley, superintendent of Campbell Union School District, will be a lady of leisure from now on. She retired from her post at Campbell Grammar school last week.

She will spend most of her time at home caring for her husband, who is connected with Richmond-Chase public and industrial relations staff in San Jose, and her 15-year-old daughter, Nancy, who will be a sophomore next year at Campbell Union High school.

Mrs. Legg had formerly worked for the T. R. Merill company prefabricated home builder in Santa Clara and for Golden State Milk Company.

SERVICE NOTES

Returning here aboard the heavy cruiser USS Saint Paul after spending nearly eight months in the Korean combat area is Melvin R. Blue, seaman apprentice, USN, son of Mr. and Mrs. John M. Blue of 789 White Oaks Road, Campbell.

The Saint Paul spent her time during the cruise ranging the length of North Korea's east coast from the battle line, at Kosong, to Chongjin, within 50 miles of the Siberian and Manchurian borders. Her duties varied from giving direct gunfire support to United Nations front line troops to the destruction of railway targets near key Red points of Songjin and Wonsan and the bombardment of North Korean headquarters and supply installations in Chongjin.

The Kaibab squirrel is found on the north rim of the Grand Canyon and is native to no other part of the wold.

Wayne Sheppards To Live In Java

Mr. and Mrs. Wayne E. Sheppard, lately residents of Cambrian, at 14694 Berry Way, will make Java their home this fall. Mr. Sheppard has been selected by the Vacuum Standard Oil Company of New York for a post as accountant in the Indonesian island.

The Sheppards left Campbell three weks ago to reside temporarily in San Jose before going to New York, where Mr. Sheppard is to report on August 18 for a six-week familiarization program. At the conclusion of the training course the couple will proceed to Java, which will be their address for three years.

The new environment will have unusual drawbacks and compensations, Mr. Sheppard has learned, among the former a climate that includes 80 to 94 degrees of heat day and night, with 80 percent humidity; among the latter, a work day of four to five hours and comfortable living quarters provided by the oil company.

The Sheppards know no one in Java yet, but they look forward to making new friends there.

NOTICE FOR BIDS FOR PURCHASE OF SCHOOL AND OFFICE FURNITURE.

Sealed bids will be received by the Board of Trustees of the Moreland Elementary School District at the office of the Clerk of said district in the Moreland Elementary School Payne Ave. and Saratoga Road, San Jose, California, (Route 1, Box 270) until 9:00 p.m. August 4, 1951, and publicly opened on or about that time, for the purchase of various items of school and office furniture consisting of:

Desks, tables and chairs.

Plans and specifications for the above listed items may be obtained in the office of the principal of the Moreland School Payne Ave., and Saratoga Road, Route 1, Box 270, San Jose, Calif.

Bids must be made in accordance with and subject to the said specifications on file in said office. Each bid must be accompanied by a certified check or bid bond, in the amount of Ten (10) percent of the bid and made payable to the Moreland Elementary School District. Said check shall be held by the Board of Trustees of the Moreland Elementary School District, as a guarantee that the successful bidder, or bidders, will furnish the merchandise as specified.

The Board of Trustees reserves the right to reject any or all bids, to waive any irregularities in the bids received, and to be the sole judge of the suitability of the school and office furniture offered.

By order of the Board of Trustees, Moreland Elementary School District.

Dated: July 14, 1952.
Signed: Geo. D. Robertson,
Clerk.

More About . . . WEST VALLEY HOSPITAL REPORT

lined in the Crisp report is pure conjecture according to the minority group, and has no place in a factual study.

The opposition said the proposed location was not suitable to either Saratoga or Cupertino taxpayers, one reason the previous bond issue was defeated.

The Herts' group offers factual proof that very few other small hospitals are ever self-supporting. It says that since the deficit of the operating hospital would be unknown, discussion of additional taxes was pure guesswork.

The minority report objected strenouosly to the recommendations listed in the Crisp report, saying that such an item had no place in a factual report.

A further point mentioned by the opponents of the plan was the failure to obtain State or Federal aid, refused, say the opposition, on the grounds that there was no urgent need for such a hospital.

General chairman of the committee favoring construction of the West Valley Hospital is C. W. Styer, with an executive committee consisting of Harry Whiteman and Gifford Sobey. Policy committee is made up of C. W. Styer, chairman; Harry Whiteman, Gifford Sobey, Charles E. Moore, Hans C. Adamson, Robert Benefiel, and Forrest Reese. Finance division is in charge of Charles E. Moore, while publicity is handled by Hans C. Adamson.

Robert Benefiel is chairman of the speaker's division and Forrest Reese is chairman of the home contact division.

Committee against the proposal consists of Mrs. Jeanette B. Herts, H. L. Brooks, E. M. Converse, Edward S. J. Cali, and A. L. Lillo.

GROUP TO PROMOTE VOTE INTEREST FORMED FOR WEST VALLEY HOSPITAL

The following committee of West Valley residents has been formed under the general chairmanship of Charles W. Styer, Rear Admiral, U.S.N., retired, to change the long-conceived West Valley Hospital project from a plan into a reality. This, through the support of two-thirds of the votes cast in the hospital district, on the proposed $750,000 hospital bond issue in the November elections.

In this connection, the following committee has been created:

Executive committee: C. W. Styer, chairman, Harry Whiteman and Gifford Sobey.

Policy committee: C. W. Styer, chairman; Harry Whiteman, Gifford Sobey, Charles E. Moore, Hans C. Adamson, Robert Benefiel and Forrest Reese.

Budget committee: Harry Whiteman, chairman; Gifford Sobey and Hans C. Adamson.

Finance division: Charles E. Moore, chairman.

Publicity division: Hans C. Adamson, chairman.

Speakers Division: Robert Benefiel, chairman.

Home contact division: Forrest Reese, chairman.

"A similar project was defeated by a narrow margin by the electorate in 1951," explained Chairman Styer. "Although the hospital plan had more than generous majority support, enough voters failed to ballot on the proposal to roll up the necessary two-thirds vote. It is believed that lack of interest or inadequate information on the part of the voters, rather than deliberate opposition—was responsible for the defeat of the plan to provide the $750,000 hospital with modern medical, surgical and technical facilities.

"In the course of its activities, the committee intends to conduct a campaign of education as to the reasons for and needs of this Community Hospital which is to be situated in a strategic population area in the West Valley Hospital District. We invite the support of all voters, old and new, in the four main regions affected by the project, namely Saratoga, Campbell, Cupertino and Los Gatos. Headquarters will be establishe dat University Avenue, Los Gatos."

CAMPBELL MAPS NOW READY AT LOCAL STORES

Maps of the City of Campbell, compiled by the MacAbee engineering firm of Palo Alto and published by the Campbell Press are now available and may be obtained at stores throughout the city of Campbell.

The maps, underwritten by the Campbell merchants, contain limits of the incorporated area of the city, streets added since the publication of the last map in 1950, and names and locaiton of streets still on drafting boards but expected to be cut within the next two or three months.

The map also contains a handy reference to local merchants and highlights of Campbell history.

Machines Causing TV Interference Checked By FCC

Squiggly patterns of interference in television and radar tubes can blot out as much as half of the picture. A plastics manufacturer ine New York City learned the hard way how serious this interference problem can be. The U.S. Coast Guard got a court order closing his plant when they traced interference 1,000 miles away to his preform heaters.

Right here in Campbell, applications of Dr. Glenn L. Stoops, and Dr. Wayne W. Gregg, local chiropractors, to operate offices were given only after they had shown that their equipment had met federal communications regulations, and only after heated controversy by Canmpbell citizens had shown that electrical equipment operated by the chiropractors would not interfere with local television reception.

Federal Communications Commission order becomes effective against equipment that causes this interference.

Under suspicion are diathermy machines, dielectric mold heaters, welding arc oscillator currents, automobile ignition systems, power plant generators, radio transmitting sets and the T Vset itself. Preventive measures can require a complete cage of sheet metal around the equipment, with more serious cases also fitted with Monel knit mesh gaskets at the points where the cage is bolted together.

SCOUTS HOME FROM HI-SIERRA CAMP GROUNDS

Boy Scouts from five Santa Clara county communities returned home Sunday after spending a week at Camp Hi-Sierra near Longbarn.

Units and boys attending included Troop 28 of Campbell, Troop 26 of Moorpark school, Troop 25 of Willow Glen, Troop 52 of Sunnyvale, Troops 28 and 83 of Sunnyvale.

E. B. Mortensen, scoutmaster of Troop 26, said activities included an overnight hike of 12 miles to the Clavy River at an elevation of 6400 feet over 8500 foot Dodge Ridge, campcraft, merit badge tests, fishing and swimming twice a day. His unit won a courtesy flag for exhibiting best table manners of any group present.

Dr. Vinton S. Matthews of San Jose, himself an Eagle Scout, served as camp doctor for the boys during the week. He also taught first aid and camp sanitation.

This week, 93 boys from five units are attending the camp's fourth summer period. Units and boys attending include Troop 77 of Santa Clara, 22 boys; Troop 30 of Campbell, 20; Troop 48 of Jefferson Union School, 22; Troop 88 of Sunnyvale, 16; and Troop 40 of Saratoga, 13.

In New Mexico, 34.6 million acres of land are federally owned.

CANNERS PAID $15,406,000 FOR COUNTY CROPS

Canners added $15,406,000 to Santa Clara county vegetable and fruit farmers' income last year.

Fruit farmers received $12,820,000, pointed out W. C. Hatfield, Pacific division agronomist for American Can Company, supplier of food containers, and the rest—$2,586,000 — went to vegetable growers.

The crop expert, whose company has pioneered in the development of new and more efficient containers to preserve the nateural flavor of canned products, explained that this money actually came to Santa Clara county farmers from markets that canning has opened for local products in widely scattered sections of the country—many of them thousands of miles to the east.

Here's how much canners provided Santa Clara county growers for leading crops: Fruits: apricots, $5,750,000; pears, 5,730,000; and cherries, $1,295,000.

Vegetables: tomatoes $1,800,000 and beans, $738,000.

AGED AID COSTS REMAIN STATIC DURING YEAR

Aged aid cases and costs in Santa Clara county and throughout California were relatively static during the 1951-52 fiscal year, California Taxpayers' association said recently.

In the county, aged aid cases numbered 6,197 people in May, 1952, compared with 6,191 for July, 1951, the first month of the fiscal year, and 6,205 for January, 1952.

Payments to the needy aged in the county amounted to $410,164 for May, 1952, compared with $416,827 for July, 1951, and $413,338 for January, 1952.

Statewide, there were 273,092 people receiving aid as needy aged in May, 1952, compared with 274,271 for July, 1951, and 274,149 for January, 1952.

Aid paid to the needy aged in California totaled $18,096,393 for May, 1952, compared with $18,355,704 for July, 1951, and $18,229,328 for January 1952.

"Good administration, under laws which protect both the needy aged and the taxpayers, has resulted in this levelling off of aged aid cases and costs," the association said.

"Any liberalization of the aged aid program, such as that proposed in the McLain initiative which will be on the November ballot, will start aid to the aged costs skyrocketing again, as they did under the ill-fated McLain iniative, the worst provisions of which were repealed in 1949," the Taxpayers' association warned.

BARBECUE SET FOR ST. LUCY'S

The men of St. Lucy's Church will hold a gala barbecue and party, Wednesday evening, July 23. The affair is a prelude to the Harvest Festival grounds. Reservations have been received from more than ninety men and preparations are being made for the largest gathering of its kind in parish history.

The committee of barbecue experts and chefs consists of Tony Scionti, Norm Ingraham, Ed Romano, Bill Noyer, Dick O'Connor, Ralph Dodd, Henry Weitzel, Cel Gerevas, Jack Miranda, C. N. McCoy, Ira Grim, Bob Finch, Rex Parodi, Vic Bahl, Pat McNally, Bill Clark, and Vladimir Fabris.

Local Woman Wins $375 Home Freezer

Mrs. Emily McConnell, 40 Carlyn Avenue, was the lucky winner of a $375.00 home deep freezer, Tuesday, when her ticket was drawn at Allied Refrigerator Company in San Jose Monday night.

Tickets were given away locally at Carl Field's Grocery store on E. Campbell avenue with grocery purchases. Retail groceries in the area cooperated with Allied Refrigerator company in putting on the sales promotion program.

The drawing was slated for last Saturday, but did not take place until Monday since not all returns were in from the participating grocers.

Mrs. McConnell said she certainly can use the freezer: "There are only two in the family during the week, she said, "But on the weekends when my mob of children and grandchildren come galloping home, it would take a whole side of beef to feed them."

HARPO MARX, Hollywood comedian—"It looks as if the Hollywood brides keep the bouquets and throw away the grooms."
